RUBBER OUTSOLE SCUFF CAPS EVO

It is obvious that the heavy duty pattern of this hard-wearing, up to 300°C heat resistant HRO rubber outsole has been designed for optimum safety and performance, especially on unsecured grounds.

SCUFF CAP

Extra high scuff cap for wearers who kneel a lot during their work.

VOLUME PLUS⁴⁸

The special shape of the last provides more space to the small toes and the ball of the foot. This extra comfort is available up to size 48.

UPPER

With the use of at least 2 mm thick nubuck leather, a premium upper material is used and offers a special wearing comfort due to its soft and velvety surface.
